Total No.of samples collected		1,58,030

3. SAS Group (IITians Group), with I.P.S.S Team Hyderabad, conducted a comprehensive field survey across 243 Assembly constituencies in Bihar, collected an average of 645 to 650 no.of samples per each constituency.

NOTE: All the samples, were collected on field (i.e direct contact with the voters) only. No online, SMS, telephonic samples are entertained in the survey.

4. The sampling methodology incorporated a mix of stratified (selective) and random sampling in 50% : 50% ratio, ensuring

balanced representation from diverse segments of the population.

5.The survey was carefully designed to reflect the socio-economic and political demographics of Bihar state covering all the 5 regions (Seemanchal, ANG Pradesh, Midilanchal, North bihar and Magadh Regions).

6.The sampling ensures inclusivity across all age groups, gender, caste, religion income levels and urban – rural divides.

7.With rigorous field work and scientifically grounded sampling techniques, the survey achieved an average margin of error between 1% to 1.5% ensuring reliability and credibility of the findings.

Selective (stratified) samples covers the following strata of voters including.

8. Male & Female voters of age group (18-35 years, 36-45 years, 46-55 years, 56-60 years and above 60 years).

9.State government and retired state government employees.

10. Farmers & lease farmers.

11. Beneficiaries of all government welfare schemes to assess the satisfaction levels among voters.

12. Wage seekers

13. Employed in private sector.

14. Unemployed youth

15. BC & EBC community

16. SC Community

17. Muslim Community.

18. College and university students.

19. Small & Middle class business persons

OBSERVATIONS:

1. Yadav and muslim community support is more for RJD (INDIA alliance).
2. Young and unemployed youth are frustrated (vexed) with NDA ruling (from 2020-2025) in Bihar.
3. Considerable percentage of voters are supporting to Jan Suraj Party (Prasant Kishore) in urban areas.
4. If more number of assembly constituencies (MLA seats) are allotted to INC party in INDIA alliance (by RJD), then it will be a self goal for RJD in 2025 assembly elections in Bihar. If more number of MLA seats will be contested by INC (like 2020 assembly elections in UPA), RJD (INDIA alliance) will be defeated.
5. Similarly
If more number of MLA seats are allotted for JDU (like 2020 assembly elections), BJP (NDA alliance) will be defeated in 2025 assembly elections in Bihar. Sri Nitish Kumar, present CM and JDU leader lost his credibility among voters/Public in Bihar as compared to 2020 elections.
6. JSP (Jan Suraj Party) will play key role in 2025 assembly elections in Bihar. Due to JSP, NDA alliance will be defeated in number of MLA seats in urban areas.
7. Northern region of Bihar will decided the elections result.
8. No impact of operation "SINDHOOR" on Bihar assembly elections in 2025.
